

The International Conference on Intelligent Computing, Communication, Networking and Services (ICCNS2023)

June 19-22, 2023 - Valencia, Spain

ICCNS is aiming to provide an opportunity to present state of the art research in the intersections of Computing, Networking, and Services that are supported by Artificial Intelligence. Researchers from both the industry and academia are encouraged to submit their original research contributions in all major areas, which include, but are not limited to:

- Track 01: Artificial Intelligence Fundamentals
 - Track 02: Intelligent Internet of Things and Cyber-Physical Systems
 - Track 03: Edge Intelligence and Federated Learning
 - Track 04: Intelligent Networking in Beyond 5G (B5G) and 6G Wireless Communication
 - Track 05: Intelligent Big Data Management and Processing
 - Track 06: Intelligent Security and Privacy
 - Track 07: Blockchain Research & Applications for Intelligent Networks and Services
-

WORKSHOPS

- The Third International Workshop on Deep and Transfer Learning (DTL2023)
 - The International Workshop on Computing for Pandemics (COMPandemics2023)
-

FULL PAPER IMPORTANT DATES

PAPER SUBMISSION DEADLINE: APRIL 21ST, 2023

Notification of paper acceptance: May 6th, 2023

Camera-ready papers due: May 20, 2023
